1. About Norhaven & Co.

Norhaven & Co. is an independent apparel and home-goods company founded in 2018 in Portland, Oregon. We design everyday essentials — tops, bottoms, outerwear, accessories, and a small home collection — built from natural and responsibly sourced materials, meant to be worn and used for years rather than seasons.

We started as a single market stall selling organic-cotton t-shirts and grew into a three-store, direct-to-consumer brand shipping across the United States, Canada, and internationally. We remain privately owned and design every collection in-house.

Company Timeline

- 2018 — Founded as a weekend market stall in Portland, Oregon, selling organic-cotton basics.
- 2019 — Launched norhavenco.com and shipped the first online order.
- 2020 — Opened the Portland flagship store on NW 23rd Avenue.
- 2021 — Removed single-use plastic from all shipping mailers.
- 2022 — Opened the Seattle and Austin stores; launched the carbon-neutral shipping program.
- 2023 — Introduced the Norhaven Circle loyalty program.
- 2024 — Crossed 500,000 orders shipped; launched the Home collection.
- 2025 — Began the garment take-back and resale pilot program.

What We Stand For

- Natural and recycled materials first — organic cotton, responsibly sourced merino wool, European flax linen, recycled polyester shells, and full-grain leather.
- Everyday pricing — no permanent markup inflated for artificial discounts; sale pricing reflects real seasonal reductions.
- Repairable, not disposable — a one-year workmanship warranty and an in-store mending service.
- Direct relationships with a small number of mills and workshops in Portugal, India, and the United States, each audited annually for labor and environmental standards.

5. Ordering & Payments

5.1 How to Place an Order

Orders are placed at norhavenco.com or in any of our three retail stores. Online, add items to your cart and check out as a guest or with a Norhaven account; creating an account lets you track orders, save addresses, and earn Norhaven Circle points automatically.

5.2 Accepted Payment Methods

- Credit and debit cards — Visa, Mastercard, American Express, Discover.
- Digital wallets — Shop Pay, Apple Pay, Google Pay, PayPal.
- Buy-now-pay-later — Klarna, split into four interest-free installments.
- Norhaven gift cards and store credit, which can be combined with any other payment method.

5.3 Currency & Sales Tax

All online transactions are processed in US dollars. International customers are charged in USD; your card issuer may apply its own foreign-transaction fee and conversion rate. Sales tax is calculated automatically at checkout for orders shipping to states where Norhaven & Co. has a tax obligation. International orders are not charged VAT or GST at checkout; those may be collected by the courier at delivery, along with any customs duty.

5.4 Changing or Cancelling an Order

Orders can be changed or cancelled within one hour of being placed, as long as the order has not yet entered fulfillment. To change or cancel within that window, contact support with your order number. After an order enters fulfillment it can no longer be modified or cancelled; once delivered, it can be returned under the standard return policy in Section 7.

6. Shipping Policy

6.1 Processing Time

Orders are picked and packed within one to two business days of being placed, excluding weekends and holidays. Processing time is separate from transit time shown below.

6.2 Domestic Shipping (United States)

Method	Transit Time	Cost
Standard	5–7 business days	\$6.95 (free over \$75)
Expedited	2–3 business days	\$14.95
Overnight	1 business day (order by 12:00pm PT)	\$29.95

Domestic orders ship via USPS or UPS, selected automatically based on destination and package weight.

6.3 International Shipping

Destination	Transit Time	Cost
Canada	7–12 business days	\$19.95
United Kingdom & European Union	8–14 business days	\$24.95
Australia & New Zealand	10–16 business days	\$27.95
All other countries	Calculated at checkout	Varies by destination

International orders ship via DHL Express and are sent Delivered Duty Unpaid: the customer is responsible for any customs duty, import tax, or brokerage fee assessed by the destination country. These charges are collected by the courier and are not included in the checkout total.

6.4 Order Tracking

A tracking link is emailed automatically as soon as an order ships. Tracking is also available anytime under Order History in your Norhaven account, or via the Track My Order page using your order number and the email address used at checkout.

6.5 Delayed or Lost Packages

If a domestic order has not arrived within 10 business days of the estimated delivery date, or an international order within 21 business days, contact support to file a carrier claim. Norhaven & Co. will reship the order or issue a full refund once the claim is confirmed with the carrier.

7. Returns, Exchanges & Refunds Policy

7.1 Standard Return Window (Full-Price Items)

Full-price items may be returned within 30 days of the delivery date for a full refund to the original payment method. Items must be unworn, unwashed, and unaltered, with original tags attached and in original packaging. A prepaid return shipping label is provided free of charge for domestic (US) orders; international customers are responsible for return shipping costs.

7.2 Items Marked “Sale”

Items discounted as part of a storewide sale event and labeled “Sale” on the product page and receipt are eligible for exchange or store credit only, within 14 days of the delivery date. Sale items are not eligible for a cash or card refund. The same condition requirements apply: unworn, unwashed, tags attached.

7.3 Items Marked “Clearance”

Items in final clearance markdown, identified by a red clearance tag and the word “Clearance” on the receipt, are final sale. Clearance items cannot be returned, exchanged, or refunded under any circumstance except a manufacturing defect (see Section 7.5).

7.4 Non-Returnable Categories

Regardless of price or discount, the following are final sale for hygiene reasons: swimwear with the hygienic liner removed, intimates, and pierced jewelry (earrings). Gift cards are non-refundable and cannot be exchanged for cash.

7.5 Damaged, Defective, or Incorrect Items

If an item arrives damaged, defective, or is not what you ordered, contact support within 14 days of delivery with your order number and a photo of the issue. Norhaven & Co. will provide a free replacement or a full refund, including original shipping cost, and does not require the item to be returned in every case. Manufacturing defects are covered for 12 months under the product warranty in Section 11, separate from the standard return window.

7.6 How Refunds Are Processed

Once a return is scanned at a USPS or UPS drop-off location using the prepaid label, store credit is issued instantly to your Norhaven account. Refunds to the original payment method are processed within 5–7 business days after the return arrives at the Reno distribution center; your bank or card issuer may take an additional 2–5 business days to post the credit. In-store returns are refunded immediately at the register.

7.7 Exchanges

Exchanges for a different size or color follow the same eligibility rules as returns for that item's price category. The fastest way to exchange is to place a new order for the item you want and return the original separately; this avoids waiting for the return to be received before the replacement ships. In-store exchanges are immediate, subject to stock availability.

8. Discounts, Promotions & Gift Cards

8.1 Ongoing Discounts

- Welcome offer — 15% off your first order when you sign up for email, valid for 30 days.

8.2 Seasonal Sales

- Holiday Sale — December

8.3 Discount Stacking Rules

Only one promo code may be applied per order. The welcome discount cannot be combined with sale pricing on already-discounted items. Norhaven Circle point redemptions can be combined with one active promo code. Student and military discounts cannot be combined with any other promotional code but do apply on top of standard sale pricing.

8.4 Gift Cards

Gift cards are sold in fixed amounts of \$25, \$50, \$100, \$150, and \$200, or a custom amount between \$10 and \$500. They are delivered digitally by email, typically within minutes of purchase, and do not expire or carry any maintenance fee. Balances can be checked anytime at norhavenco.com/gift-card-balance using the card code. A gift card cannot be reloaded once fully redeemed; any remaining balance under the order total stays on the card for future use.

9. Norhaven Circle Loyalty Program

Norhaven Circle is free to join at checkout or in any store. Members earn 1 point for every \$1 spent, and move through three tiers based on points earned in a rolling 12-month period.

Tier	Points Required	Benefits
Sprout	0 – 199 points	Birthday reward, member-only early access to email sales
Bloom	200 – 499 points	Everything in Sprout, plus free shipping on every order
Evergreen	500+ points	Everything in Bloom, plus double-point days, free in-store alterations, and a birthday gift

Points are credited within 48 hours of an order shipping and expire after 12 consecutive months with no qualifying purchase. Returned items have their points removed at the time the return is processed.

10. Product Care Instructions

Organic cotton

Machine wash cold, like colors. Tumble dry low or line dry. Do not use bleach.

Merino wool

Hand wash cold or dry clean. Lay flat to dry. Store folded, never on a hanger.

European flax linen

Machine wash cold on a gentle cycle. Line dry or tumble dry low. Iron while slightly damp for the smoothest finish.

Recycled polyester outerwear

Machine wash cold, gentle cycle. Do not iron. Reproof with a DWR (durable water repellent) spray annually to maintain water resistance.

Full-grain leather

Keep away from prolonged water exposure. Condition every 6 months with a leather conditioner. Store stuffed with acid-free tissue to hold its shape, away from direct sunlight.

Brass & metal hardware

Wipe with a dry, soft cloth. Avoid contact with perfume, lotion, and hairspray, which can accelerate tarnish.

11. Warranty & Product Guarantee

Every Norhaven & Co. product is covered by a one-year limited warranty against manufacturing defects, starting from the delivery date. Covered defects include stitching failure under normal wear, hardware that breaks or detaches under normal use, and zippers that fail within the first year.

The warranty does not cover normal wear and tear, fading from washing, accidental damage, stains, or damage from improper care (see Section 10). To make a warranty claim, email support@norhavenco.com with your order number, a description of the issue, and a photo; approved claims are resolved with a free repair or a free replacement of the same item, at Norhaven's discretion.

17. Frequently Asked Questions

Orders & Account

Q: How do I check the status of my order?

A: Sign in to your Norhaven account and open Order History, or use the Track My Order page with your order number and the email used at checkout. A tracking link is also emailed automatically once your order ships.

Q: Can I change my shipping address after placing an order?

A: Only within one hour of placing the order and only if it has not yet entered fulfillment. Contact support immediately with your order number; after that window the address cannot be changed.

Q: Can I cancel my order?

A: Yes, within one hour of placing it, as long as it has not entered fulfillment. After that, the order cannot be cancelled, but it can be returned once delivered under the standard return policy.

Q: Do I need an account to order?

A: No, you can check out as a guest. Creating an account lets you track orders, save addresses, and automatically earn Norhaven Circle points.

Q: I never received my order confirmation email. What should I do?

A: Check your spam folder first. If it is not there, contact support with the name and email used at checkout and we can confirm the order and resend the confirmation.

Q: Can I combine two orders into one shipment to save on shipping?

A: Orders cannot be combined once placed, even if placed minutes apart, because each enters fulfillment separately.

Q: How do I update the email address on my account?

A: Go to Account Settings while signed in and update your email; a verification link will be sent to the new address to confirm the change.

Q: Is it safe to save my card details on norhavenco.com?

A: Yes. Card details are stored by our PCI-compliant payment processor, not on Norhaven servers, using industry-standard encryption.

Shipping & Delivery

Q: How long does shipping take?

A: Domestic standard shipping takes 5 to 7 business days after 1 to 2 business days of processing. Expedited and overnight options are available at checkout for faster delivery. See Section 6 for full timeframes by destination.

Q: Is shipping free?

A: Standard domestic shipping is free on orders of \$75 or more before tax. Orders under \$75 are charged \$6.95 for standard shipping.

Q: Do you ship internationally?

A: Yes, to Canada, the United Kingdom, the European Union, Australia, New Zealand, and most other countries. International orders may be subject to customs duty and import tax collected by the courier on delivery.

Q: My tracking says delivered but I don't have my package. What now?

A: Check with neighbors and any building mailroom first, as carriers occasionally mark packages delivered slightly early. If it does not turn up within 24 hours, contact support with your order number and we will open a carrier investigation.

Q: Can I change my delivery speed after checkout?

A: Only within the one-hour cancellation window; contact support immediately and we can cancel and help you reorder with the correct shipping speed if the order has not yet entered fulfillment.

Q: Do you ship to PO boxes?

A: Standard USPS shipments can be delivered to PO boxes. Expedited and overnight shipments, which use UPS, require a physical street address.

Q: Will I be charged customs fees on an international order?

A: Possibly. International orders ship Delivered Duty Unpaid, meaning any customs duty, import tax, or brokerage fee is collected by the courier at delivery and is not included in your checkout total.

Q: What happens if my package is lost in transit?

A: If a domestic order is more than 10 business days past its estimated delivery date (21 for international), contact support to file a claim. We will reship the order or issue a full refund once the claim is confirmed with the carrier.

Q: Can I pick up my online order in-store?

A: In-store pickup is not currently available; all online orders ship from the Reno distribution center.

Q: Do you offer same-day delivery?

A: Not currently. The fastest available option is Overnight shipping, which requires the order to be placed by 12:00pm Pacific Time.

Returns & Exchanges

Q: What is your return window?

A: 30 days from delivery for full-price items, for a full refund. Items marked Sale are eligible for exchange or store credit within 14 days. Clearance items are final sale. See Section 7 for full details.

Q: I bought a shirt during a sale, can I return it after 20 days if it doesn't fit?

A: It depends on how it was discounted. If it was marked Sale, the exchange and store-credit window is 14 days, so a return request at day 20 would fall outside that window and would not be eligible. If it was a Clearance item, it was final sale from the moment of purchase and is never eligible for return, regardless of timing. If it was full price, the 30-day full-refund window would still apply at day 20.

Q: How do I start a return?

A: Go to Order History in your account and select Start a Return next to the order, or bring the item with your receipt or order confirmation to any Norhaven store.

Q: Do I have to pay for return shipping?

A: No, a prepaid return label is provided free of charge for domestic US returns. International customers are responsible for return shipping costs.

Q: How long does a refund take?

A: Store credit is issued instantly once your return is scanned at drop-off. Refunds to your original payment method are processed within 5 to 7 business days of the return arriving at our distribution center, plus 2 to 5

business days for your bank to post it.

Q: Can I exchange an item for a different size in-store even if I bought it online?

A: Yes, any online order can be returned or exchanged at any Norhaven retail store, subject to the same eligibility rules based on how the item was priced.

Q: What items can never be returned?

A: Clearance items, gift cards, swimwear with the hygienic liner removed, intimates, and pierced jewelry are final sale regardless of price, except in the case of a manufacturing defect.

Q: My item arrived damaged. Do I still have to pay for return shipping?

A: No. Damaged, defective, or incorrect items are replaced or refunded free of charge, including original shipping, when reported within 14 days of delivery with a photo of the issue.

Q: Can I return part of an order and keep the rest?

A: Yes, each item in an order can be returned independently; you are not required to return the full order.

Q: If I return an item, do I lose the Norhaven Circle points I earned on it?

A: Yes, points earned on a returned item are removed from your account once the return is processed.

Q: Can I get a refund to a different card than the one I paid with?

A: No, refunds are issued to the original payment method only. If that is not possible, store credit is issued instead.

Sizing & Fit

Q: What if I'm between two sizes?

A: Size up for a more relaxed fit, or size down for a fitted look, per the fit note listed on each product page. See Section 4 for the full measurement chart.

Q: Do your clothes run true to size?

A: Denim and trousers run true to size. Knitwear and outerwear are cut with a half-size of ease for a relaxed fit.

Q: How do I measure myself at home?

A: Use a soft measuring tape around the fullest part of your bust or chest, your natural waistline, and the fullest part of your hips. Full instructions are in Section 4.

Q: Do you offer petite or tall sizing?

A: Not as a separate size range currently; our standard sizing (XXS–3XL) is cut for an average height fit.

Q: What if the size I need is sold out?

A: Sold-out sizes can be added to a restock notification from the product page; you will get an email if and when that size returns to stock.

Q: Are your size charts the same across all categories?

A: Tops, bottoms, and dresses use the general sizing chart in Section 4. Outerwear runs consistent with the same chart, sized to be layered over a top.

Q: Can I exchange for a different size without waiting for my return to be received?

A: Yes, the fastest approach is to place a new order for the size you need and return the original separately, rather than waiting for the exchange to process.

Q: Do accessories like belts and hats come in different sizes?

A: Belts are sized by waist measurement and listed in the product description. Hats are offered in one adjustable size unless stated otherwise on the product page.

Payments & Promotions

Q: What payment methods do you accept?

A: Visa, Mastercard, American Express, Discover, PayPal, Shop Pay, Apple Pay, Google Pay, and Klarna for installment payments.

Q: Can I use more than one discount code on an order?

A: No, only one promo code can be applied per order. The welcome discount cannot be combined with already discounted sale items.

Q: Do you offer a student discount?

A: Yes, 10% off, verified through SheerID with a valid student email or ID.

Q: Is there a military discount?

A: Yes, 15% off, verified through ID.me for active duty, veterans, and first responders.

Q: How does the referral program work?

A: Share your referral link; a friend gets \$20 off their first order of \$75 or more, and you receive a \$20 reward once their order ships.

Q: Why wasn't my promo code applied at checkout?

A: Common reasons are that the code has expired, the order does not meet the minimum spend, the items in the cart are already discounted and excluded from the code, or another promo code is already applied.

Q: Do prices ever drop after I've already purchased at full price?

A: Occasionally, during a seasonal sale. We do not offer retroactive price adjustments or refunds of the difference for earlier full-price purchases.

Q: Can I use Klarna for a partial payment plan?

A: Yes, Klarna splits your order into four equal, interest-free payments, selectable at checkout.

Gift Cards & Loyalty

Q: Do Norhaven gift cards expire?

A: No, gift cards never expire and carry no maintenance fees.

Q: Can I check my gift card balance?

A: Yes, at norhavenco.com/gift-card-balance using the code on your card.

Q: How do I earn Norhaven Circle points?

A: You earn 1 point for every \$1 spent once you have joined Norhaven Circle, free at checkout or in any store.

Q: Do loyalty points expire?

A: Points expire after 12 consecutive months with no qualifying purchase.

Q: What's the difference between the Circle tiers?

A: Sprout is the entry tier; Bloom (200+ points) adds free shipping on every order; Evergreen (500+ points) adds double-point days, free in-store alterations, and a birthday gift. Full details are in Section 9.

Q: Can I redeem points and a promo code on the same order?

A: Yes, point redemptions can be combined with one active promo code.

Q: If I return an item, do my gift card or store credit balances change?

A: Store credit used on a returned item is restored to your account; it is not affected by the return itself.

Products & Care

Q: How do I wash my Norhaven items?

A: Care depends on material: organic cotton and linen are machine washable, merino wool should be hand washed or dry cleaned, and leather goods should avoid water entirely. Full instructions by material are in Section 10.

Q: What is your outerwear shell made from?

A: Recycled polyester made from post-consumer plastic bottles, with a merino wool lining in most styles.

Q: Is your leather real leather?

A: Yes, full-grain leather, vegetable-tanned where possible, used in our bags and belts.

Q: How do I keep my leather bag from drying out?

A: Condition it every six months with a leather conditioner, keep it out of direct sunlight for long periods, and avoid prolonged water exposure.

Q: What if my item develops a defect after a few months of normal use?

A: It is likely covered under the one-year manufacturing warranty in Section 11. Email support with your order number, a description, and a photo.

Q: Are your products true animal-friendly or vegan?

A: Not entirely; wool and leather products use animal-derived materials, sourced under the Responsible Wool Standard and from vegetable-tanned leather where possible. Cotton, linen, and recycled polyester items contain no animal-derived materials.

Q: Why did my white cotton tee turn slightly grey after washing?

A: This is usually from washing with darker items or using bleach, which our organic cotton is not treated to resist. Wash whites separately in cold water without bleach.

A: Core styles are restocked regularly; limited or seasonal styles may not return. Use the restock notification on the product page to be notified.
